Proactive Maintenance

We will help you develop a sound program that will meet both your electrical and budget needs. This helps avoid costly, surprising problems before they happen.

Guaranteed Satisfaction

Rest assured, we guarantee your complete satisfaction. We take pride in delivering world class customer service and will go beyond industry standards to ensure you are pleased today and into the future.

Work with Professionals

Our team of highly skilled and experienced technicians are ready to handle your complex challenges. With over 25 years in the business, you can trust us to get the job done right.

Peace of Mind

Pro-Tech delivers quality and accountability that helps ensure that your electrical needs are being well met. We will always treat your projects, repairs, and regular maintenance with care and integrity.

Your Emergency is Our Emergency

Electricity and electrical equipment are vital to your business, that's why Pro-Tech's emergency service is available 24/7.

You can count on us to respond to your electrical problem as though it was our own.
